

Chapter Meeting July 15th, 2009

Please join us in welcoming our Guest Speaker,
Michael De Luca, CKD
Author of
“Kitchen & Bath Lighting... Made Easy”

*Generously Hosted by **Glow Illuminating Designs**
of San Luis Obispo, CA*

In only an hour or so, you'll see how
a well-planned lighting scheme can make your designs shine...

**Michael De Luca will be answering
YOUR specific lighting design challenges,
so please come armed with questions!**

Along with **DINNER, DRINKS, AND A RAFFLE**, learn some of the design fundamentals of lighting and how to develop Title 24-compliant lighting plans for kitchens and baths plus other residential spaces to reflect the individuality of the spaces and meet your clients' desires.
