

Join us on March 17th in Woodland Hills for a
seminar generously

hosted by  and  on
Design & Quality Since 1982

“Residential Modifications for Aging in Place”

by Adam Fine, the founder and president of Accessible Design & Consulting, Inc. Adam will discuss designing “with elegance, and providing accessible products and modifications that are pleasant to the eye”. He will present products, design ideas and completed jobs showing innovative solutions providing accessibility.

Please see next page for RSVP info.

When: Wednesday, March 17th, 2010

Where: Mitrani

21111 Oxnard Street
Woodland Hills, CA 91367

Time: 5:30pm-8:30pm

Dinner and Drinks will be served
(Green theme for St. Patty's Day!)

For Pre-Registration, Please RSVP by March 12th so that we may plan accordingly.
